

NOTICE

E-FILING OF SPECIAL DETERMINATION (SD), FUNDAMENTAL RIGHTS (FR) AND SC WRIT APPLICATIONS

To: All Attorneys-at-Law

All Attorneys-at-Law are hereby informed that, with effect from **19 October 2026**, Special Determination (SD), Fundamental Rights (FR) and SC Writ matters shall be filed through the Electronic Filing (e-Filing) Portal.

Accordingly, all such cases shall be filed electronically as e-Cases through the e-Filing Portal, in accordance with the applicable procedures.

This measure forms part of the Court's ongoing digital transformation and the implementation of electronic court services, aimed at streamlining case filing and processing, enhancing efficiency, security and transparency, and reducing reliance on physical documentation.

The transition to electronic filing has already progressed significantly, with approximately 90% of SD matters filed in 2026 being processed electronically. The continued implementation of e-Filing will further strengthen digital workflows and facilitate the efficient and timely processing of cases.

The cooperation of all Attorneys-at-Law is kindly sought to ensure the smooth and effective implementation of this process and to support the continued advancement of digital court services.

Thank you for your valued cooperation and support.
